“ Hi Jon,

I was so sorry to learn today of your son's passing. Knowing you as we grew up I know he must have been a special boy. We'll never know why God calls young people home so often.

Right now I'm sure that your memories make your heart heavy but in time, all those memories will be treasures to make you smile.

I hope to get to connect with you sometime soon.

With Love,

“ Nathan and the Dail famaily are the most loving and carring people that I have ever met, they have touched my life and my heart and soul. I will miss the hugs and laughter from Nate and comming home from work or any time and looking up to his room and seeing his smiling face waving to me. But now I will look a litte higher to see him smiling down on me now.##imported-begin##Kurtis Alan Hart##imported-end##

“ Nathan and his family are truly an inspiration to us all. As Nathan’s neighbor I looked forward to seeing him in his window always ready for a chat. I’ll miss him looking out his window, but knowing he’s STRONG and out of PAIN will make the loss I feel less painful. I know in my heart that Nathan picked his family! The Dial’s Family is everything God intended a family to be. God Bless The Dial Family
