“ *Maria & family, we were shocked to find the sad flyer in the mailbox. Please DO NOT hesitate to let us know if there is ANYTHING we can do even last minute at any time day or night. Even if just to reflect. We're new to the neighborhood we know but you've already been so kind to us that we hope we can somehow repay that however you need. Again our sincere condolences; Jorge seemed such a kind man and I'm sure he'll be sorely missed.*

“ I have known Jorge since he first came to BellSouth & AT&T. He was always willing to share his wealth of technical knowledge, but more importantly he rolled up his sleeves and made things happen. I admired him for being active in his son’s life, and the way he modeled what being a man is to other young men through the Boy Scouts of America. He was a leader both at work and in the community. I remember when he met Maria and how excited he was about marrying her. We will miss you buddy. Rest in the comfort of His arms. May the Lord give strength unto the family and may His peace be upon you during this challenging time.##imported-begin##Gary Reynolds##imported-end##
