“ *I was sorry to learn of Jorgen's (I knew him as "Swede") passing. We were best friends in the 7th and the 8th grades. I lived just up the street from him and we walked to school together every day. I loved listening to him speaking to his mother in Swedish. I left Gastonia after high school and I have spent most of my adult life in Europe. I am sorry that I was not able to tell "Swede" that I spent two years living and working in Stockholm and that I learned Swedish.*

Vila i frid, min vän. Rest in peace, my friend.
