Beloved husband, father, son, brother, uncle and friend

"Blessed are the pure in heart, for they will see God" Matthew 5:8

Jose Antonio Lugo Chacon (Tony), 39, passed away in Lawrenceville, GA on August 30, 2025. He was doing what he did best, working hard and worshipping the Lord when he passed away suddenly & unexpectedly.

Tony was born to Antonio and Millie Lugo in Puerto Rico on August 31, 1985. He was raised with his younger sister Jessenia Lugo (Jesy). His Puerto Rican heritage was evident in his vibrant spirit, creative abilities, and love for family. Tony was a talented artist and musician from a young age. He was also an exceptional baseball player as a young man. Tony moved to the U.S. at age 13. He started learning English in Puerto Rico by watching American television, specifically his favorite sitcom, Friends. He continued to excel in baseball and played for Collins Hill High School. He then went on to study art, with an emphasis on illustration and animation, at the Academy of Art University.

He met his beautiful wife, Lindsey, at Cornerstone Fellowship Church. He admired her as soon as he met her and they became quick friends. After a

year of friendship they began dating and fell in love. Lindsey was drawn to Tony's charming smile, captivating singing voice, jovial spirit and love for the Lord. Tony and Lindsey were married in Hawaii in 2011 on the island of Maui, Tony's favorite place in the world. They welcomed their beautiful twin boys to the world in 2012. The family settled in Lawrenceville, GA and built their dream home together in 2023. Tony & Lindsey made many sacrifices to make this dream a reality and poured their blood, sweat and tears into the design and construction of their home. Tony instilled a sense of hard work, sacrificial love, faithful service and devotion to the Lord in his family. Tony was a loyal, supportive husband and a loving, caring father. His love for family was only outweighed by his love for the Lord.

Tony worked tirelessly and faithfully for Cintas since April 14th, 2014. He was named one of the Top 15 Sales Service Reps in the Southeast, not only for his exceptional work ethic, but also for his caring commitment to his customers and co-workers. This was more than a job to Tony, it was a ministry. He genuinely cared for everyone he worked with - connecting with them on a personal level, encouraging them, and praying for them. Tony started his own business, Green Acres Pro Landscaping, in the Summer of 2022. Lindsey was so proud of her husband for chasing his dreams! She'd never met anyone who worked as hard as he did. With this endeavor, Tony continued to serve his community and make the most of every opportunity to demonstrate and share the love of the Lord through his work.

Tony also faithfully served the church as a worship leader. One of his dear friends described him perfectly: "Tony 'the Tiger' was larger than life. He was full of passion, laughter, and fire. He carried a gift of connection, care, and communication that made every person he met feel seen and valued. Through the way he led worship — never a show, always poured out for the Lord and His people — Tony demonstrated true servant leadership. He was a good friend, a voice of encouragement, and a vivacious yet humble soul, whose

passion for the Lord touched countless lives. He lived the reality that church is not just a building, but a family — and his life was a living testimony of that truth. We can confidently say: Tony was ready for Heaven. He loved to worship, and his life was marked by worship — both on the platform, and in the way he lived, served, and loved.”

Tony is survived by his wife Lindsey Lugo and their twin sons, Austin and Lawson Lugo, his parents Anotonio and Mily Lugo, his sister Jesy Lugo Tepoz (Moises), Dustin & Michelle Pennington, Rebecca Thomas, In-laws, nieces & nephews, cousins, friends and church family.

A service to celebrate Tony’s life will be held at The Fountain on Saturday, September 20th at 12:00pm. To celebrate Tony and to honor his big heart and warm personality, we request that you come dressed in cheerful attire, instead of the traditional black attire.

In lieu of flowers, memorial donations may be made to Legacy Church <https://legacy-church-492801.churchcenter.com/giving/to/special-offering> in honor of Tony Lugo.

“ My heart has been so heavy since hearing of Tony's passing. We have been a customer of Cintas for several years and we were blessed to have Tony as our representative. I always looked forward to the days when Tony came in to service our account. He was such a joy to be around and to talk with. We never spoke about our faith, but it was evident that he was a man of great faith as it was exhibited in the way he treated people and through his delightful personality. One of the last conversations I had with Tony was after I had returned from a trip to Maui. This was the first time I had ever been to Hawaii and Tony shared with me how much he loved Maui and told me he was married there. He shared many photos and videos of his honeymoon with me, and we had such a great time sharing our experiences. Tony spoke often about his family and his boys. Whenever he spoke of his family it was with great pride and love. I already miss him very much and I know that I will continue to miss him for a long time to come. No matter who Cintas assigns to us going forward, I know there is no way they will be able to fill Tony's shoes, and I will feel the loss every Friday when our account is serviced. Our relationship was strictly professional; however, I can say that I honestly had a lot of love for Tony. Events like this are so difficult to understand even though we have a strong faith and know that God works everything for good. It is extremely hard to reason the loss of such a wonderful soul. I know that he was welcomed into heaven with "well done my good and faithful servant". My heart aches for his family and my thoughts and prayers are with them, his friends, and everyone that had an opportunity to know him. He was a blessing and will be greatly missed. Rest in peace, Tony.

“ For the short year that I knew Tony was such an honor. Tony made it a point to make everyone he came in contact with feel important and special. He had one of the kindest spirits and I am truly blessed to have known him. My prayers go out to his family. Me and Tony connected and talked a lot about family since we both have two boys the same ages. He was so proud and lit up every time he spoke of his wife and boys. He will always be remembered and missed.

“ My dear brother Tony kept true to his promise, to be a true man of God, he was very over protective of me as his only young sister, but also to his kids and wife Lind’s. He was always caring, loving, respectful, family provider, true worshiper, responsible father, faithful to his wife and a hard working husband, wonderful friend to many that remember him as I do. I always looked up to him. He promised me he will follow Gods guidance till he was called into his kingdom. I know in my heart, will meet again. Though here in flesh I hurt and miss him forever . I know you will always look after me and yours from the heavens. I pray to God to guide me and fulfill His promises with me also as he did with my brother Tony, so that I can also leave a beautiful legacy as my brother did here on earth. Love you and miss you forever my brother. ❤️❤️🙏🙏😭
