“ *My Dad was the best I could have ever hoped for. He was stern when need be, he was loving and kind and had a remarkable witty sense of humor!!! We have so many fond memories. Dad filled our hearts with Joy and helped us in times of hardship. He loved country music and played the harmonica like a professional. He loved his 6 children and was always there for us. He will be missed dearly. My Dad was my hero, loved Jesus, and nurtured our love for Him as well. He taught us so much about everything he knew and his love for nature was contagious. Thank you Daddy for being you!!!*
