“ *My name is Steve. I briefly worked with Joe at The Children's Place in New Jersey. He was their loss prevention man. He quickly became easy to,like, and was full of stories from his previous profession. The last time I spoke to him, he was doing a stint at Morristown Memorial Hospital in NJ. That was around Thanksgiving, 1995, I believe.*

He was really an affable fellow, and we both realized that the organization for which we worked didn't appreciate us. When Joe left, I gave him a hearty hug in the parking lot and wished him the best. Good luck to your family.

“ With great fondness I recall the many years Joe, Frank Parker and I shared together during our years at Continental Insurance. Over the years I enjoyed sitting at the Macaig dining table savoring the savory meals Joan so lovingly prepared. Now only a few miles away, time and circumstances re-directed our lives and rarely have we seen each other. Yet, all these many years since, Joe and Joan remained forever in my heart. Joan, may you hold close the great times you and Joe enjoyed together for 38 years.

*We are so saddened by Joe's passing. We have been friends/ neighbors for 11 years and we could not ask for better neighbors than Joe and Joan. We will always remember the wonderful fellowship, sitting on the deck with Joan and Joe in the evenings after dinner. We hope there will be many more of those evenings with Joan and "Precious". We are here for you, Joan.
Joe, We love you and miss you .
