“ Sarah and Family,
I worked with your husband and Father for many years at Ohio Medical Products, then Ohmeda. Joe made the decision to go into infant care, which was a wise one.

He ALWAYS made me smile and laugh, especially at National Sales Meetings and trade shows. I really did and do wear a Rolex, but he tried to get me to question it and perhaps buy one from him! What a guy. A life well lived and you actually celebrated your 56th anniversary. Wow, that we should all be so lucky.

Sending light and love to you all.

“ I was so sorry to hear of Joe's passing. I, like many others, in the Senior Fitness Class at Meridian Park in Loganville, were greatly blessed by his presence in the class. In fact, just watching the joy and fun with which Joe exercised and interacted with others was one of the highlights for me when my 98 year-old aunt, Eloise, and I attended class regularly. He always had a smile on his face and a welcome for others. I pray that each of you, his family and close friends, will be comforted by God and lifted up by the prayers of those whose lives have been greatly enriched by Joe's presence. God bless you.

“ I had the pleasure of meeting and working with Joe through Ohmeda Medical. Always smiling, his customers loved seeing Joe walk in the door. Joe shared jokes and took the time to get to know everyone around him. He is in God's presence and sharing many memories and reuniting with friends of the past now. Joe will be greatly missed and always remembered!

“ What a pleasure it was to have known “Joe”. I met him in the early 80s, as he was my Ohio Medical Sales Rep. It was always a joy to see Joe's smiling face come thru the door; a real professional, a consummate gentleman.
He is honored and will be missed by the Respiratory Care community. Condolences to his family and thank you for sharing Joe with us all. 🙏
