“ To my brother and his family i would like you to know you all are in our prayers and thought. Our family has lost someone who had so much humor and his love for music art and talent he was one of a kind and so full of happiness and was like the guy everyone had so fun much with. Joe you will always be in spirit and in our hearts forever. We were very blessed to have all the great fun you bought to all our lives. We just can say thank you for all you gave to the whole family and will always be here with us. We as a family are going to make sure your parents are taken care of so I know you will be giving everyone the strength to carry on.
Love You
