“ I worked with Joe at FSG for a number of years. He was quite a character. When I first met him I saw a gruff man who could curse up a storm. As I grew to know him I saw him for what he was - a true pussycat, a loyal confidant, and a funny guy. It amazed me on how he would always take a complicated process and simplify it for all to understand. I have many fond memories of Joe.

God Bless his everlasting soul and his family in their grief.##imported-begin##Wesley Ballesteros##imported-end##
