“ *I am so sorry that Joe was not able to be with us this year. He was in our prayers and we wondered why he was not at the reunion. Just found out a week or so ago. May he rest in peace and we will remember him each year.*

“ I am a classmate of Joe's Liberty High School class of 1953. Joe and I were friends and we spent many hours sitting on my front steps with Walter, Jimmy Gregson and others. Joe could always make me laugh. We have missed him at our recent reunions - there have always been stories to tell of Joe's escapades in class. He was a sweet, gentle boy and man and we will miss him.
