“ I am the mother of a 20 year old son who looks so much like your son Josh. This tragic accident has broken my heart. I think of your family often and feel so utterly sad when I see his great smile. I hope from the bottom of my heart your family is holding together and pray that time works its magic. My son and I have talked about this accident and he knows I am heartbroken. The video tribute was every parents proudest moments and thank you so much for sharing it with people who truly care. Josh just looks like every Mom and Dad's pride and joy.##imported-begin##Pat Giannoni##imported-end##

“ *Massey Family, We are so very sorry for your loss. Although I did not personally know Josh, my children did and Brent and the twins also. We are distant neighbors and I can't tell you how many times I had seen josh out in the yard or walking to the store. I have a 17 year old also and I have never lost a child but I did lose my mother 11/2 years ago, I was an only child and I know how devastating it is to lose someone close. All I can say is in time it will get better, Vicki & Eric be strong for Brent and the twins they will look to you for support. You all are in our prayers.
