“ Tim,

I wanted to let you know how very sorry I am for your family's loss. Words cannot express how hard it is to be going through what you and family are. Just know that in time it will get easier to cope with the pain and emptiness of losing her. I will be praying for you and your family for strength & comfort to make it through this time. You were there for our family when we lost Daddy, that meant so very much to all of us. If y'all need anything please do not hesitate to ask. My Condolences to you and your family.
