“ My prayers are with the entire family. Mama Kearns was the mom everybody loved . She never hesitated to drop everything to help others. She was my second mom. Took me in as her own no hesitation. She was the first here when I lost my father and did what any family would do to help. She had a smart mouth that was for those who needed to hear it. Her late night runs to Walmart for TOE SOCKS! Sitting outside as the babies played she smacked me so hard and said got that sob. Her humor kept you laughing til your belly hurt and the love she had for people truly defines her as an angel on earth. Blood doesn't make you family and she was that. Always giving never wanting anything in return.the most amazing smelling hair I've ever smelt. Southern beauty to her core. Thank you for twenty years of of friendship, motherhood, and so much more. You'll forever be missed. Never forgotten

“Joyce, my best friend! Im so broken and at a loss for the friend you've been to me for the last 3 years of our lives. Feels like we knew eachother forever and we knew we would be friends forever! During some of the hardest times in my life, you were there for me and no matter the challenges my son and I were about to face? You made it clear to us that we wouldn't be alone and we would go through whatever, together. My words of appreciation for God putting us together is non defining. We were truly blessed to have such a wonderful, giving and loving person as you, In our lives. Im truly at a loss. Such a huge hole in my life without you and you will be missed beyond any words could describe. You were the peanut butter to my jam! We shared some great times Joyce and I love you to the depths of my soul and will forever miss you. My life won't be the same without you. R.I.P. my best friend! Love you always. Lynn and Cooper
