“ MJ I am so honored to have known you and loved you and for you to love me back. You were the first to welcome me to the neighborhood. You became my Georgia mom and I will miss you every single day. but I know you're in a much better place and for that I'm pleased. But I don't know that there will come a time that I'll be able to look out the window and not think of you. Godspeed, my friend!!
