“ Nanny Mitchell, it's hard to come up with words to explain what you mean to me. Though I wasn't your grandson by blood you never treated me any different. Growing up I didn't have grandparents that cared about me, you and Papa took our family in when I was 6 years old and thank the Lord from that point on, I had the most loving grandparents a child and now an adult could dream of. From birthdays to holidays and everything in between you were always there. You've loved me and prayed for me my entire life and to say I'm grateful would be an understatement. If God painted a picture of a lady of unconditional love and grace, it would be you!! I will forever miss you and I'm sure you've cooked one of your world class meals for my Dad as soon as you got there. I also thank you for being the mother to my daddy that he never got to have by birth. Forever your little man, I love you and I promise I'll look after Papa and always take off my shoes when I come into your house. Love, Little Ricky

“ Carol, I remember hearing my parents reference many good memories of Joyce and Booty. I knew you a while before connecting they were your parents. I know where you got your love for people and the Lord. I have enjoyed seeing all the posts of your parents later years on Facebook. I am so sorry for your loss. I rejoice with you knowing she is in heaven. May you and your family find peace from God our heavenly father as you grieve the loss of your loved one. Love ya!
