“ Words cannot express how much I will miss my Mother. She has been such a big part of my life that I can hardly imagine without her. With all the years of pain she endured she was more concerned about everyone else than herself, thTs just what kind of person she was.

*She never met a stranger and everyone who met her loved her. She was the life of the party and lit up the room when she walked in it. I feel so blessed to have had a Mother like her in my life and so proud to be her daughter. It will be hard living life without her but I know in my heart that someday we will be together again.*

*I love you Mom 🌹*

“ *My Sweet Mother-in-Law*

*On May 20th, I lost my Mother-in-Law and a great friend. Not many Daughters-in-law are as blessed as I was with such a loving woman. Joyce was my biggest fan. She treated me as if was her own daughter. What a great gift she gave me.*

*Joyce was all about family. She welcomed my sons into her home and considered them her own. Her capacity for love was endless. When grandchildren and great-grandchildren arrived, the smile on her face was priceless.*

*What a smile! Even though she is physically gone, I know she watches over us and smiles from above.*

*I will always be grateful to God for the gift of Joyce*

“ *My grandmother will forever be loved by many. She gave me many childhood memories as well as laughter. She was selfless, caring, kind, and lovable to name a few. It brings me great sadness to know she is gone, but also happiness in knowing she's in heaven pain free. She will forever be missed, but never forgotten. I love you Mamaw!*

“ *Mamaw is the most loving person I'll ever know. She gave me the most amazing, fun childhood. You'll never meet a more selfless person than her. My family and I will miss her more than words can describe. She is walking with our father in heaven and one day we will be laughing with her again.*
