“ Oh how I will miss you. I remember starting school at Geraldine and you were there to help me, those long walks to catch the bus. There are so many stories I remember, and oh how I will miss you, my heart is breaking today, but I will see you again and I am so glad you are not in pain anymore.##imported-begin##Steven McCrary##imported-end##

“ Joyce lived and died on her own terms, in her own way. She was outspoken and direct; you could count on her to "tell it like it is." I thought of her today when I saw the daffodils blooming, she loved daffodils. Joyce will be greatly missed by all of us.##imported-begin##Debbie Wilbanks##imported-end##
