“ *My deepest sympathy to all....My fondest memory of Aunt Joyce was when she & Uncle Lester moved Suzie's things to PA. They visited w/my father and she had taken me aside and told me to be true to myself. She understood the torment of seeing - but not knowing my "other" family! What a very gracious, caring, loving and unconditional lady!!! I know her blood runs through my veins. That's a very selfish comfort. I know that we will be with her again...in God's house. Love to all...may His strength and love comfort you all!
