“ I was honored to attend the service last night. J.R. and I met years ago when he worked for the Quaker State Minit Lube Company and I worked for Corporate Quaker State. From the first time we met there was a special bond between us. Although our ages were different (13 years) he impressed me, beyond measure, for his positive spirit, his commitment to doing it right, and his contagious laugh that made me always glad to see him. To the family...you heard last night how loved this young man was, how he loved Ashley, how he was loved for his fighting spirit. I will forever be honored and joyful to have had J.R. in my life as a dear friend... 2 Corinthians 1:3..Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort.

“ Dear Family & Friends of J.R. DiFulgo,

I wish you all comfort and peace during this time of unmeasureable loss.

J.R. and I were friends in high school during 1983-1984. Regretfully, I have not seen him since I graduated, but I hold fond memories of a dear friend. Today, I will pull out the yearbooks and read his handwritten notes to me. He always made me feel better when I was down, and made me laugh hysterically. I can imagine what a great husband and father he must have been.

My prayers & wishes are with all of you.

Sincerely,

Cindy Barrieau-Stanford
