“ *Judy was a treasured member of our staff at Mountain Park Elementary. Her kindness and compassion for others was a special trait that impacted so many children and adults. I consider her as a friend and am better having known her. God bless and comfort you.*

“ *Judy was the most loving, kind, giving and faithful servant I have ever known. When we first started coming to the same bible study class she wasted no time welcoming us with loving, open arms. She was always so incredibly positive and with all she was going through, she was still always interested in how we were doing. The Lord definitely received an extraordinary angel and we will miss her dearly. Rest In Peace sweet lady. Denise and Dale Martin*
