“ *I have a lot of special memories with Judy. She and I were best friends at Lawrenceville Middle School. Judy and I played softball together. I was reviewing the pictures posted and photo 20 is very special "Welcome Lawrenceville Allstars". This photo includes Judy, myself, my sister (Wanda Iler-Johnson and many friends we grew up with. I am very thankful for our friendship and special times. Judy will truly be missed. Jan Iler-Neese*

“ I'm so sad to hear of Judy's passing. I have such great memories of her when we were young. I would run thru Memaw and Pawpaw Edwards's pasture to get to your house to play. Judy would fill up a Dixie cup with water, hold Tippy over it and dip his paw in the water. Then we would watch him paddle like he was swimming and laugh like crazy. And all the weekends that we spent at Lake Hartwell, drinking Tang/Tea, fishing with canned corn off the dock, and Uncle Demp pulling us around the lake on styrofoam blocks. I have such fond memories of her and our childhood together. God bless her.

“ I look at this picture of you and Bobo and remember how it took several shots to get that one picture that said it all. Losing Bobo broke your heart. Losing you has broken mine. The last time we were together there were many hugs and I'm so grateful. I know your pain was deep. I loved you and I love you still. Just not enough time.....

*I just found out about Judy and am so sorry to hear she is gone. I remember her as a little girl up on Lake Hartwell. I remember one day she skied all the way from her house to ours.....quite a distance! My sincerest sympathy!*
