“ I am so saddened to hear about the loss of your Mother. She was such a remarkable woman. She never met a stranger. I went into her store one day and bought some furniture for my dining room and I left with the keys to her store. Literally. I worked for her for a few months and I learned a lot from her. She was an amazing business woman. She always had a funny story to tell. I will miss my dear friend.##imported-begin##Tina Newkirk##imported-end##

“ JUDY. What a special name. Judy was also my aunts name. We lost her at age 60 on 09/16/2010. You reminded me of her many of times. How funny life can be! Now I pray the two of you are looking down from heaven, and smiling at your loved ones together. I knew Judy for about 13 years, since she was in her old place on 78. She helped to make my home beautiful with all her lovely things. I last saw her a few months ago, and even through her trying times, she stayed with a smile on her face. Judy, we will miss you!

“ I have been going to Judy's store since her first one on hwy 78. I loved going in her stores. She always had very nice things. One thing I bought was a sleigh and 2 reindeers for the outside. They are still as nice as they were when I bought them at the first 78 store.

*She was a very energetic person and seem to love what she did.*

*She will be missed I'm sure by all of her customers.*

*I pray for God's comfort and peace for your family.##imported-begin##Candy Fussell##imported-end##*

“ I am so overwhelmed by the love and support of my mom's family and friends, and also the love and support of my family and friends! She will be truely missed everyday of our lives. Her sweet spirit will be carried on in our lives! Mom's love of her family has shown through in so many ways this past week, while we have been dealing with her loss. I know she is smiling down on us, we have been reassured of that everyday since her passing! As I said yesterday at her memorial service, we will all have a piece of her with us, we will all remember her laughter, her smile, and also her strong spirit. My mom never met a stranger, and by the time you left her side you probably knew her life story..that was mom. I LOVE YOU MOM AND YOU WILL NEVER BE FORGOTTEN!!##imported-begin##Tiffany, daughter of Judy Clay##imported-end##

“ Richie and Family, I am sorry for your loss and what you are going through. Judy was the first person to ever take me under their wing and show me unconditional love and kindness. She not only did this for me, but for many other people as well. She would give you the shirt off her back if it came down to it, but was tough as nails at the same time. Her kindness always stuck with me. I am still in shock over this so I can't even imagine what you all are feeling. My thoughts and prayers are with you all during this time.
