“ *Julie & Henry were our neighbors for ten years on Bermuda Drive, but became lifelong family after we moved to Monroe. I have so many memories, but one of my favorites that we continued to laugh about, was when the blizzard of '92 came through & surprised us all. I remember Julie & I going to each other's houses looking for food & trying to figure out what we might be able to scrounge together to eat on about that 4th day without power! We thought we would starve 😊. I remember my son, Mitchell, standing out in the yard about 6 every evening waiting for "Gigi" to get home in her Barbie car! Julie spoiled that kid rotten & always kept juice boxes stocked in the fridge in their garage. Just the laughter & love she brought to everyday moments ❤️ Craig & I send our deepest condolences to Julie's family. She loved her family so much & spoke of each of you whenever we got together. Love & prayers for you all. Rest In Peace, sweet friend.*

“ I only knew Julie a short time at GP but she was always so helpful and cheerful. She was taken way too young. She will be missed by all. God bless the family during this difficult time.

“ Julie and I started out as co-workers and quickly became friends. We would share stories about family and experiences over the years, and even laughed through some of the tough times. She was a kind and generous person who was always willing to help out as needed. I will surely miss Julie and our talks. My sincere condolences to Julie's family. May you be comforted by the loving memories of your time with Julie.
