“ *George and Beverly, We're so sorry to hear about Julie. We didn't find out until yesterday when we saw Jason's Facebook page or we would have been there. We remember the sweet, skinny young girl on her wedding day. We know you will miss her terribly. Just know she can run free now. Love y'all*

“ Julie gave so much to her family and her friends with her bright smile, ready, laugh, and determination to live her life to the fullest that she was able. When we feel discouraged, as most of us do times, just remember Julie’s love of life at all she gave to us. Always in our hearts just like a little angel sitting on our shoulders.

“ Julie was a fantastic little sister. We always had each others back. It was an honor to be friends and sisters throughout our lives. Julie was a fighter. She fought her disease as long as her body could. I will always miss you. I know you are in a much better place and you don’t have any physical limitations anymore. Julie loved us fiercely and I know she is loving us from heaven ❤️
