“ I was always excited and relieved to know Julianna was going to be a stage manager on an upcoming project. Excited because I would get to see and work with a dear friend again, and I was relieved because she was second to none in her field and you knew you were in the best hands you could possibly wish. She is and will be genuinely loved & missed. With Deepest sympathy, Hugh Adams

“ Julianna was one of the ( if not THE) best stage managers in live theatre. Witty, smart, articulate, cool under pressure - and there's plenty of pressure keeping all the production plates in the air. I found I could make her laugh so I couldn't help but like her immensely and we worked together many times. Always the professional, we did come to know each other outside our professional lives much to my benefit. “May flights of angels...”
