“ Dear Gregg and family,  
You are still in our thoughts and prayers. Since we live just below the church, everytime we pass, we can't help but think of June. We know the holiday season is difficult but we know what a strong christian family you have and God's hand will see you all through. It is not easy as we know. Sending you our love, Marion and Nancy Prather###imported-begin###Marion and Nancy Prather###imported-end##

“ June was a wonderful lady. She and I briefly worked together at Probate Court and I thought so much of her. She will be missed and was loved by so many!!###imported-begin###Lora Lee Malcom###imported-end##

“ I am so sorry to hear of June's passing. She was a kind and gracious lady. She spoke of God's love for us through her piano playing like no one I have ever met. It is hard for us to let go of special people like June. However we have to remember how fortunate we have been to have had her with us and the legacy of love she leaves behind.

God keep all of you in His care  
is my prayer...##imported-begin##Gail Allen##imported-end##
