“ Dear Family, Friends, and loved ones: my futile words can never fill the void of a loss of someone so alive, so full of love, and so godlike. My heart is heavy and my words feel unable to describe the sudden silence. Please know that within this moment-as well as the future-June lives on. For me she lives on only through fading memories, yet may these memories live on and linger just a little bit longer for those that knew and loved her. May the silence and sadness become a remembrance of a wonderful life lived. Your family is in my thoughts and my prayers. May God be with you.###imported-begin###Garrick Harmel###imported-end###

“ 10-19-2006 Tom & Eileen and family. We just found out about June yesterday and our hearts and prayers go out to you. We always have funny memories of all the Berkmar soccer games and us sitting on the sidelines enjoying the games. Remember the programs with all our daughters names in it - what proud parents we were!!! We will be thinking and praying for you in your time of sorrow.##imported-begin##Therese and Roman Harmel##imported-end##

“ I knew June in High School, we graduate together in 94, she always had a smile on her face no matter what the day had brought to her. Whenever she walked into a room the day was always better. I can see June in the pictures of Faith. To the Howe and Fitzgerald Family, my heart hurts for you, yet it prays for your daily strength. Faith-your name says it all, may your grow up to be exactly like your mother-an Angel. To Mr. Howe, I pray for you everyday and I hope that God helps you get through this sad moment in your life. June will always live on, in our hearts and in your daughter. God bless and our prayers to you and your family.##imported-begin##Laura Bigley Miner##imported-end##

“ Mary,

*I am so very sorry for the loss of your little sister. I don't know what made me go back to read the newspaper 5 days late, but I did and I was simply so saddened by the losses you and your family have faced.*

*I have such fond memories of us as kids. Don't you remember that June always did play the violin much better than us? I can remember us (screach screach) and then June - much younger and she could somehow make it sound so much better :-)*

*You and your family Mary are thought of often and always have been.*

*M and M's- remember that.  
from your childhood best friend.*

*Much Love,

“ My heartfelt sympathy goes out to you and you family on your loss. My daughter graduated from Berkmar two years before June. She remembered her as being a very nice and sweet person. My daughter is thirty two and has a 23 month old daughter and is 6 months pregnant with a baby boy. Lori was very upset about the death of June.

Questions were asked as to why and how could this happen. No one knows the answer to this. It touched my heart so much that I just wanted to express to you and your family my deepest sympathy. You all will be in my prayers.

“*Howe and Fitzgerald families,  
I am terribly sorry to hear about the sudden loss of June and the baby. June and I went to high school together. We were in the same graduating class at Berkmar. I will always remember June as a godly woman. She had a kind, warm, and caring heart. Her smile, spirit, & laughter were contagious. God spoke volumes through her life. June will be missed dearly by the many lives that she touched. Please know you are in our thoughts and prayers during this most difficult time. “ Dear Fitzgerald Family and Love Ones,  
  
You don't know me, but I am your sister in Christ. I was touched by this tragedy through one of my colleagues. My husband and I immediately lifted up your family in our prayers. "For we know that the LORD is far from the wicked, but he hears the prayers of the righteous" (Proverbs 15:29). Please remember that God loves You deeply and He will take care of YOU. He is sovereign and He is Faithful! He won't ever leave you nor forsake you! Take comfort in knowing that he does truly care for us!!!

I live in Orlando but was home visiting my family, driving the same road, right before the accident. I am deeply sorry for the loss you are feeling but I am happy to know that June and your baby are NOT LOST to you. You know exactly where they are and will one day see them again.
