*I loved you then. I love you now. I love you forever. At night when I look up into the heavenly stars, I know there will be more stars because you will have all the lighters you will ever need. “ No words can express how much I love you and will always miss  
you more that you can ever know. Not only were you my brother but  
you were a best friend. I 'm still waiting for you to wake me up to  
watch a movie or play video games like you did most days. Now I  
just wait....waiting and watching for you to come to me....waiting on  
you to laugh and say Syke! lol You were always my guardian and  
confident when I needed you. All I can do now is look back on the  
amazing moments we've shared and laugh. I feel you every  
moment of everyday by my side. I'll never forget the love that you  
showed. I never would have thought that my brother would be one  
of my best friends. No words can express the love and hurt I feel for  
you and I hope you can hear me every second that I speak to you. I  
LOVE YOU MORE THAN YOU EVER KNEW!!!##imported-
