“ *We were deeply saddened to hear of Karen's passing on Thursday. Her wonderful sense of humour and positive attitude during good times, and during adversity, are a model for us all. Karen's commitment to teaching influenced all of her friends, colleagues, and her many pupils, and stand as a proud legacy. That she passed away on the last day of school is also symbolic to us. Our condolences go out to Chris, Linda and all of Karen's family. Mike & Bette Ann James*

“ *I had the privilege of working closely with Karen at the CDC. She made major contributions to complex, important projects, and provided helpful technical consultation to her peers. Perhaps more importantly, she was a supportive and loyal friend to her colleagues, and was well-liked and respected. She will be missed greatly. My condolences to Karen's family and friends.*

“ *Fly high Karen. You will be missed. We had some good times playing tennis together and hanging out at the pool. I think this picture was taken in 2014 at Whitehawk pool. Karen was always so proud of her daughters and talked about them often. You all are in my thought and prayers.*
