“ My Deepest sympathies to Karen’s family. I am so very saddened by the loss.

I met Karen at Taft high school. We used to hang around on weekends & go for long walks & talk about boys & school & other important things at the time. We kept in touch throughout the years & our families often got together too.

Karen babysat my youngest daughter for 2 years while I was at work, I felt very good about leaving my 6 month old with Karen and her two kids, Marlene & Derick. She was a very good mother & treated my daughter like one of her own.

When her family moved to Georgia we still kept in contact & I got to see Karen & Jim once when they came to Chicago.

Just these past few years we had more conversations- seems like the older we get the more we value our longtime friendships. Karen was a very loving, caring & sweet person.

I will truly miss her ❤️
