“ *Karen was always such a joy to be around and had an inner light that shone around her. My favorite memory was at Molly's 16th pizza birthday dinner I had a friend come by unexpectedly and was shy to come inside. Karen talked to her immediately and made her feel welcome and was so kind. She helped my friend in such a kind, caring manner. I'll always remember how she reached out and made someone else feel special. Karen was a special person. Will be praying for the Sikes family and sending all my love.*

“ I’ve been blessed to know Karen for over 20 years. Though life took us on different paths, our bond remained strong through our daughters’ beautiful friendship. Karen’s smile could light up any room, and her heart was always open to help anyone in need. I will forever cherish the memories of her kindness, laughter, and the love she shared so freely. She will be deeply missed but never forgotten. ❤️

“ I first met Karen in Connersville, Indiana, back in August 2012 at a music event. From that day forward, we became wonderful friends and shared so many great times together. One of my favorite things was that we shared the same birthday—you always called me your “birthday twin,” and that bond made our friendship even more special.

Karen, I will forever treasure the memories, laughter, and music we shared. You were truly one of a kind, and I feel blessed to have had you in my life. Until we meet again, birthday twin. 💔🎵🎂

I was very sad to hear about Karen's passing. Although I didn't know her well, as a newcomer in the office, she made me feel like I belonged from the very first day we met. The strong feelings of love and sorrow in the office show how much Karen meant to everyone; she was truly loved. May the memories you treasure offer you peace and strength in the days ahead.
