“ *Katherine was one of my very best friends. We were roommates at Tallulah Falls School for a bit, and that is how we met. After we graduated high school, we spent a lot of time at each other's houses. I will never forget the giggles, the make overs, the laughter, and the soul sharing. I truly loved her and wanted the best for her, always. She was such a kind, caring, and giving person. The cost didn't matter; if someone was in need, she was THERE. We lost touch for a bit but not for long. True friends always come back into your life! I am proud to say that I knew and loved her for 22 years. Her passing has left a hole in my heart that can never be filled. Katherine Marie Parks Pete, I will always love and miss you. Goodbye, my dearest friend. May the Good Lord help me to let go so that you may rest in peace with Him.*

“ *Katherine was my first friend at Tallulah Falls. She was the mother of our group and made sure everyone was always okay. Her heart was beautiful and she never failed to show love. We worked 4 years in the kitchen at school and we were always singing and laughing. I will think of her often and smile. I can hear her say "chin up buttercup!" God bless her family. ~ Julie Coursey - Bond*

“ Katherine and I attended A bible study together. During that time we became very close, and I will treasure our friendship forever. Katherine was there for me through a very hard time and I am forever thankful for her late night talks and prayers. She never hesitated to help anyone and always went over and beyond to show people she cares. She will be forever missed...

“ I didn't stay in touch, but often thought of Katherine, how sweet she was, loving, that laugh of hers. My favorite memory of her was letting me know I didn't have anything to be ashamed of how I look and how accepting of people she was.

“ I have so many memories. She was my best friend for 12 years. We went to boarding school together but most of our good times were after high school. Me and Katherine loved taking road trips. We did this often. We always had Rod Stewart and Dixie Chicks blaring out of the speakers! She would sing so loud. Lol. :) Dixie Chicks....just one of our things.

*Katherine was our neighbor
She and I had a special relationship. I was a General Supertendant at
Gwinnett Sprinkler (which her Grandfather started) and her parents
owned Alliance Fire Protection. We were buddy's right from the start.
Our prayers go out to all families involved. We will miss you Katherine.
