I am so full of sadness to hear the passing of Kathy Spring.. I saw her in December for her hair appointment and she was her thoughtful usual self, we had a wonderful conversation about families and children and I just come to know her as the most kind-hearted human being. “Kathie was a very special person and great dog trainer. I am grateful that I got to know her through membership in the Oconee River Kennel Club. From other comments from friends in NY, she was a valued member and friend there too. I and many others will miss Kathie very much. My deepest sympathy to her family.

“ Kathy, you have been missed for so many years after leaving CNY for Ga. It was because of you that our Dalmatian Club of the Finger Lakes became the success that it is. You always quietly, but diligently did the work of many in so many different roles. Whenever I hear about an ice cream social, I think of the ones that you organized at the Bainbridge shows. I'll always remember your kennel name, Kizmet, fondly. It's not been the same without you here and the absence is felt even more now.

“ Dear Children & Grandchildren - My first assignment with NYSEG was in Horseheads, where I met your Dad and subsequently, Mom. Both were dear friends, sharing in life (your Dad taught my son to drive), both in work and about dogs. Some of my fondest memories during my years in Horseheads centered around your parents. May God grant you comfort and peace during these difficult days. I'll be praying for you 🙏
