“ Kathy was beautiful inside and out. Our families had so much fun together for years. Vacations, crusices, bbqs. We all loved her very much & will truly miss her forever. This is from Patsy: she was my best & only friend. I should have given her more of my time. I regret deeply. Can't beleive she's gone.

“ So many memories of Aunt Kathy...

Christmas Eve dinners at her house when I was growing up. Many years we would go look at Christmas lights after the party and then she would take me home. Little did I know back then that it was a 20-30 min drive one way to take me home. But she always welcomed me to go with them to look at lights.

Country music concerts. She took me to my first ever concert with my cousins. I can remember getting home late that night and we were doing our best to not wake Uncle Randall.

Beach vacations. Oh, the vacations!! Again, always welcomed me with a smile on her face to join them. Aunt Kathy LOVED the beach and being out in the sun.

Aunt Kathy also LOVED her coca-cola. I remember growing up being at her house and we were only allowed to have the can cokes because the glass bottles were hers.

I never once heard Aunt Kathy raise her voice. She had a way of saying something to you and you knew she meant business without her having to raise her voice at you.

All in all, Aunt Kathy was a woman of grace and love. She taught me so much about how to be a lady and I am sorry that I never told her how thankful I am for all the love she showed me growing up. She will be missed greatly by all.

“ So many great memories of my big Sis.
Even though I'm over a foot taller , I always looked up to her.
As soon as Kathy got home from school,
I was on her hip.
She taught me to count by counting tea bags she put in the jar.
So missed. Say hey to everyone in Heaven for me. The circle wont
be broken.
Love you

Kathy and I became sisters when my Mom married her Dad. I think that we were about nine years old. I will always remember the good times we had together on the weekends that Mama would pick me up from South Carolina. We always went to her Aunt Ethel's sometimes we would go to her Aunt Margaret's. We had so much fun playing in the woods and their barn! My heart is truly broken into a million pieces! I will always remember her laugh, sometimes we would laugh so hard that we would pee our pants! Even though we had not talked in awhile, we stayed in touch via Facebook, until I had to delete mine because of hackers. RIP my sweet sister and on occasion, my partner in mischief. I know that you are with Mama, and I will see you, mama, Justin, Wayne your Dad, and Alex when we meet up yonder,
