“ *What Can Comfort You?*

*What can comfort you  
When a loved one is lost,  
When the pain is so great  
And your world's been tossed?*

*What can calm you  
When no words know how,  
When the load is hard to bear  
And you need relief right now?*

*What can guide you  
When you're not sure which way to go,  
When the mountain seems too steep  
And you're in the valley so low?*

*What can uplift you  
When you can't see this trial's end?  
Only the arms of the Lord  
And the prayers of a friend.*

*Do not cry no more for Kathy  
for she is in a better place.  
If you could talk to her  
she would say she want it that way.*

*From my heart to yours May God take you in his arms and comfort  
you and answer all your prayers.*

*love*

“ *We will always remember Kathy's fun and festive spirit -- and love of  
planning the funnest and most creative parties ever! She was also  
an incredible mother and someone who was taken away way far too  
early. We love you, Frasers, and are here to support you however  
we can.*”

“ *Kathy,  
You came into my life as a parent of a kindergartener, seven years ago and left it as one of my best buddies (way too soon)! You always reminded me to have fun and enjoy life; but most importantly, to keep a good sense of humor no matter what. I will forever treasure our friendship and will miss you more than you'll know! Your mom, David and Hannah will continue to hold a very special place in my heart and I want to be here for them. Love you guys!*###imported-begin###Terri Odum###imported-end##
