“ *Kathy was a wonderful, caring and lovely lady. She definitely lit up a room when she walked in, always smiling. She and I had so many conversations about love and so many different kinds of love. But when she talked about her husband and children, she started glowing. Kathy was so proud of all of you. She was such a great friend. Thank you for sharing her with me. She will be deeply missed. But knowing her, she would want you to take a few days to grieve. But she would want you all to live your lives, prosper, show the love like she taught you. I know that I will miss her so, but not near the suffering that you will be going through. My heart goes out to you all. My thoughts and prayers are with you.*
