“ *I do not need a special day to bring you to my mind.
The days I do not think of you are very hard to find.
Each morning when I awake I know that you are gone.
And no one knows the heartache as I try to carry on.
My heart still aches with sadness and secret tears still flow.
What it means to lose you no one will ever know.
My thoughts are always with you, your place no one can fill.
In life I loved you dearly; in death I love you still.##imported-

“ *Kathy,*

I think of you each and every day. I miss you sooo much. Everytime I go to Granny's, I expect you to come into the living room and play with the kids. The girls miss you so very much too. You'll never know how much you were an important part of our lives, and how much we miss you. Tell Doris and Mom that I said hi, and that I miss them too. Ya'll behave up there...lol. I love you.
