“ *My Dear Gail and your wonderful family,*

I am sad at your loss and the sadness it has caused. Vern IS truly in a better place than the one he has experienced since he became bedridden. He will wait , with Kieth, for each of you to join him when your earthly sojourn is over. Where he is, there is nothing but unconditional love. Keep your life full of the spirits that have gone before us.

Love always, my friends, Marsha##imported-begin##Marsha Lackey##imported-end##
