“ Please accept my deepest sympathies for your loss. There is a void that cannot be replaced. Our loved ones have a permanent impact on our lives and they should never leave us. Their influence is invaluable all throughout our life, so they should be with us forever, especially when we have a problem and we need their advice. The God of all comfort wanted mankind to live forever and never experience suffering, pain and death. He sent his Son to earth to erase everything that plagues mankind, particularly death. God's Kingdom headed by Christ will establish a Paradise earth and bring our precious loved ones back again so we can enjoy living with them happy and healthy and sharing all our experiences with them, never to loss them again.##imported-begin##Marquell H##imported-end##

“ He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5##imported-begin##Magallon Family##imported-end##

“ My heart is sadden to hear that one of my brothers in blue has passed. But, I am ok knowing that he is at peace now. I would like to share a small story about my relationship with Bo. I began working with Bo back in the mid 1980's. We were both patrolman in zone six. One day Bo asked me to go play around of golf with him and some more officers. I turned and looked at Bo with a serious face and said Bo you know black guys don't play golf. (pre tiger woods era) I am glad Bo would not take no for an answer. Since that day I have always enjoyed watching or playing when my knees allow me to these days. Bo you will be missed my friend but not forgotten.##imported-begin##Retired Inv. D.B. “ To Kelley's family and friends,

Kelley walked me out to my car nearly every night I worked for 6 years at Houston's. He was a kind, gentle, caring, humble man. I miss him so much. I know the gap he left for his family and the pain you feel in his absence shall be vastly more acute than mine, yet his imprint on my life, no matter how small, is treasured, loved, and fondly remembered. I shall try to live like him: Softly spoken, always willing to help in times of need, and with a sense of humor. I wish for the Bollinger family to be strong. Kelley is in a place beyond all the pain, fear, or loss that this world holds. It is for us to mourn and then to live on for those who live on with us. Be well in your grief. The thoughts and prayers of more people than you know are with you.
Best,

“ Sally,
Jerry and I are so sorry for your loss. We don't have any words that can fully express our sorrow and compassion we feel for you right now. It doesn't seem fair to have this happen again. We trust God is holding you in His mighty hand now and pray you will draw strenght from being close to Him. We pray for Grace and Mercy for you today and the days to come. We will be continually praying for you and the girls. We love you.##imported-begin##Jerry and Debbie Loftice##imported-end##
