“ Kelly and I were at Charity Nursing School and graduated together in 2004. We worked hard but had a lot of fun in our group. She was funny, generous and a caring nurse. So sorry to hear of her passing. I know she will be missed. Prayers for your family.  
Rest peacefully Kelly,

“ Hi Kelly,

*Its us. While you have been on a long path, we have missed you. As we look back, and take a deep breath, we see us attending a crawfish boil with you and Juan, in Chalmette, with your friends and our family. Life is great! As time flows, your family builds and Gabrielle and Aidan come on board. We recall times that makes us smile. We see us all together at our house where it is actually snowing in Metairie with the entire family including Ela and Papi. They loved us all and we miss them. We recall enjoying your children playing in the pool with Jose and Zach when you came over. Even more so when Gabrielle was riding her bike. While a storm changed our paths, and we have been separated by time, we always remember your caring and positive look on life. It's like it was yesterday.  
We love you and miss you.

“ Kelly, thank you for making me laugh. Thank you for being in my delivery room during a challenging time. Thank you for showing me how to make S’mores. Thank you for your hysterical stories. Thank you for being my son’s Godmother. Most of all..... Thank you for being my friend. I struggle writing this, I still cannot believe you are gone. You no longer are suffering. I’m sure the Heavens are embracing your stories with laughter. You will be missed lady. I love you.

Juan, I'm hugging you from afar. I love you dear.

Gabrielle and Aidan....I'm sure you know how beautiful your mama was. She was a very special lady. Be strong..... I'm praying for your peace of mind and strength. I cannot wait to see you two again so I can catch a glimpse of my friend. God Bless you all.

“ Juan, Gabrielle and Aidan: There are no words of comfort we can give at this time other than continued prayers for ALL. Those that had the privilege and honor of knowing or being around Kelly, even if just a short time were super Blessed as she could light up the room with that smile alone not to mention her character. You will always keep her in your hearts, her memories will continue thru y'all. We are so sorry y'all are going thru this. Peace and comfort knowing she is not having to fight anymore. Life will go on but she will never be forgotten. To cry and miss her every second is to have really LOVED HER. May she rest in peace 🕯️🙏
