“ *Ken was so kind to me, and was good to me in a part of my life where I was really struggling. I'm so sad to hear he has left us, but so grateful I was able to reconnect with him later in life. My thoughts and prayer are with the Demarcus Family. God Bless.*

“ *We loved Ken and will miss him so much! He was a kind and gentle man who was always there to help in any way he could. He always gave credit for all his blessing to God. And he never missed a chance to say a prayer with or for a friend who had troubles. He had such a sweet smile and we will always remember our friend.*

“ I have never met Ken but have talked to him online from time to time. Being a fellow DeMarcus has its perks and friending Ken was one of them. I pray for comfort for his family. He was truly one of a kind.
