“ *We always appreciated (but never looked forward to) the middle-of-the-night phone calls from Ken letting us know we had forgotten to close our garage door. We always felt safer knowing he & June were across the street keeping an eye out for us. We feel a little less safe (and incredibly sad) knowing he's not across the street any more.*

Kenny and I were close friends all through high school. We buildt and rode motorcycles together for years. We worked together at East Coast Cycle Shop, shared an apartment and later shared a house in Newtown. In 1972 we went to Puerto Rico for a rock concert and had many "high times" in Jamaica. We started the "Bog" at Watkins Glen and it's still a tradition today. Many, many more great memories - what a blast we had together. Goodbye Kenny, what a great friend you were.
