“ *She's in the sun, the wind, the rain, she's in the air you breathe with every breath you take. She's singing a song of hope and cheer, there's no more pain, no more fear. You'll see her in the clouds above, hear her whisper words of love. You'll be together before long until then listen for her song.*

Goodbyes are not forever, Goodbyes are not the end. They simply mean I'll miss you until we meet again. Rest In Peace Beautiful Kendra...ILY
