“ I have struggled the last week to find the "right" words to write, something that might help you to find some sort of comfort or peace in this tragic time, but then realized there are no such words. I am so deeply sorry for your loss. Unfortunately, before graduation it had been years since I had last seen Kenna, yet when I saw her you would have thought it was just last week. She was such a beautiful young lady and will be greatly missed. You and your family will be in our thoughts and prayers. Please do not hesitate to let me know if there is anything I can do for you - ever. All my love- Colleen###imported-begin###Colleen Jordan###imported-end##

“ Kenna was one of the sweetest girls I met in my years at LHS. She has changed the hearts of many, including my own. In my 9th grade year, she wrote in my yearbook, and in her entry she wrote a heartfelt, "...never change. I love you". And no one had ever told me that before. Little did she know that what she wrote in my yearbook would be a motivation, to not care what people think and to lift my chin up. Kenna cared for the little things, the things that mattered. She was kind, thoughtful, and considerate. I am praying for you all through these rough times. God bless.

*I am so sorry to hear about Kenna.
Finding words to say at such a sad time like this in very hard,
because nothing is really going to make you feel better for
sometime, but just to let you know that you are in my heart and
thoughts everyday. And after reading messages in this guest book,
you must be very proud of her, she is loved by lots of people and
that takes a special kind of person. Take care Melody.

“ Kenna and I had never even met, but that did not stop me from hearing about her life throughout mine. She was my cousin and although I had never been face to face with her, I heard stories of her life as well as all my other cousins lives from my Auntie Jean on a yearly basis. Therefore I know how loved she was and how amazing of person she had grown up to be.

My heart hurts for your loss, for all the family and friends that have to deal with something that no one really knows quite how to cope with... but, try to remember that God takes the special ones first....
