“ Ken was the kindest person that I have ever met, always smiling that gentle smile. I will always remember that he was "to the point" , if it was something he wanted to tell you he would. Ken always took an interest for the vehicles of the women at our branch, willing to help in any way. I will have to look for someone else to replace that "H" on my Hyundai (it fell when he looking over the car). God Rest your soul Ken. We shall meet again when we all get together on that day...
