

Kenneth "Ken" David Leverette

September 10, 1965 - April 12, 2026

LEVERETTE – Kenneth “Ken” David Leverette, age 60, of Loganville, Georgia, passed away April 12th, 2026. A Celebration of Life is to be held on Thursday, April 16th at 3:00PM in the Chapel of Tim Stewart Funeral Home, Loganville. The family will receive visitors from 1:00PM – 3:00PM on Thursday, April 16th at Tim Stewart Funeral Home, Loganville. Ken had a rare gift for finding the light in any situation, possessing a laugh that could fill a room and a quick wit that became his trademark. He never missed an opportunity to turn a mundane moment into a cherished memory, bringing that same vibrant energy to his life as a true rocker at heart. He found great joy listening to classic rock. When he wasn’t listening to the greats, he was a man who found peace by the water, finding a steady rhythm in the patience of fishing and the beauty of nature. This sense of balance carried over into his professional life, where he took immense pride in a job well done. Throughout his 13 years at South Eastern Security Professionals, Ken built an impeccable reputation for excellence, proving daily that his word was his bond and his work ethic was second to none. He was a man who never did anything halfway, especially when it came to providing for the people he loved most. Ken stood as the cornerstone of his family; his marriage was a beautiful testament to enduring love, partnership, and a level of commitment that served as an inspiration to everyone around him. More than just a family man, he was the steady hand and the warm heart that kept his loved ones grounded. He was a father figure to many. As a beloved husband, father, and

grandfather, Ken's legacy will be deeply missed but never forgotten. Ken is survived by his loving wife of 40 years, Kathy (Stansell) Leverette; daughter Jessica (Scott) Carter; grandchildren, Kenneth Chase Carter, Nena Danielle Carter, Piper Ann Carter; his father and mother-in-love, whom he considered as his own, Charlie & Joann Stansell; and many other loving friends and family. “ Ken was one of a kind. I did not know him long, but he made me feel like we were friends our whole life. He always had a smile on his face and a story to tell. Always saying back in our day..... My heart hurts for his family and friends. I miss him walking in the office and greeting Jhonnattan and I every morning. We are all Blessed to have had him in our life. I hope that everyone can bring a little kindness, compassion, and love to this world and make Ken proud! Until we meet again my friend, you will be missed.

“ Words can't describe the devastation I felt when I received the phone call of his passing. Ken and I started work about 1 year apart at SSP. From the first day I met him I knew he was a very special person. Through the years we bonded, and he was always ready to jump in and help with anything anyone needed. We used to laugh at each other and say we were the grandma and grandpaw of the SSP crew. Since relocating to Florida Ken would always joke that Jay and I were the sunshine crew, he always was so happy for us being able to live and work on our little island. There was never a time he didn't ask about Jay, or tell me to make sure and say hello and take care of him. Those conversations will be so missed. He was such a loving and caring person. He touched the life of everyone he met in some way. Please know you will always be remembered for the kind soul you were. Our deepest regrets. Tammy & Jay

“ I've decerned on this news for a few days now and there is only one phrase that keeps coming to mind, "only the good die young". Ken was one of the first people i worked with at SSP. He was warm and welcoming at all times. The love for live he held was inspiring. Both professionally and personally. I watched his grandchildren grow up via facebook. Showed how proud he was of them throughout that journey. The love for his wife shown at every anniversary. You'll be dearly missed my friend.

“ I was deeply saddened to learn of Ken's passing. Having worked with him for many years (through PSA in Colorado), I can attest to his genuinely kind and uplifting nature. He always brought laughter and positivity to our interactions. I was so happy to finally meet him in person during his visit to Colorado for the purchasing roundtable last year. I will greatly miss his cheerful calls. He was one of a kind and a true gem!

My deepest sympathies go out to your family.

“Ken will be remembered as a kind, positive, and warm-hearted person who brought light and laughter into the lives of everyone around him. At work, he was so much more than a colleague—he was a mentor, a friend, and someone we all deeply admired and looked up to. Many of us affectionately called him “Papa,” a reflection of the genuine care, warmth, and quiet strength he showed to everyone he met.

I will always cherish the small moments we shared during lunch breaks. I would often stop by his office just to talk and catch up, and those simple conversations now feel like some of my most treasured memories. He always had stories to share about his family, especially his grandchildren, and he spoke of them with so much pride and love. I always left those conversations feeling uplifted and cared for.

Ken had a wonderful sense of humor and a gift for making people smile, even on difficult days. At the same time, he was deeply thoughtful, humble, and kind. He was incredibly dedicated to his work and always willing to support and help others without hesitation. I am truly grateful for all the guidance and kindness he gave me over the years.

He will be deeply missed in ways words cannot fully express, and he will forever remain in the hearts of all who had the privilege of knowing him. My deepest and most heartfelt condolences go out to his wife and family.

“ *Ken was one of the genuinely nicest and caring people I have ever known. In the six years that I knew Ken he was always welcoming to talk to his inner glow just brightened up your day. Ken loved his family very much and was always quick to show pictures and videos of the grandkids whether it be at gatherings, sports events, etc. Anyone that ever got to know Ken will never forget him. My deepest condolences and prayers go out to Ken's family during this extremely difficult time. You will be missed brother, go rest high up on that mountain. Rest in peace until we meet again.*

“ Ken was truly the best at lifting everyone’s spirits with his jokes and positivity. He always brought light into any situation, regularly checking in and keeping us updated. He was such a wonderful person to talk to—always ready to share a story or a laugh. Our last conversation was about fishing and the lottery, and it was filled with so much humor and laughter. Ken was genuinely one of the kindest people I’ve known, and from the moment I started here, he always spoke with such love and pride about his family. I feel honored to have had the chance to spend time with him. My deepest condolences go out to his family & loved ones & everyone here.

“ I keep thinking about Ken and the quiet kindness he carried so naturally—a truly good soul, always ready to give of himself. He had such a gentle way with kids, and it meant so much to see the love he had for Sabriana. He was the person everyone turned to in moments of joy or sadness, and no matter how busy he was at work, he always made the time to listen with patience and care. The warmth he gave so freely will stay with me, and I feel grateful to have known him.-Marinella
