“ Ken and I worked together for over 27 years. He was my best friend and like brother to me. Ken had a heart of gold. He was the one to calm the storm when things seemed to be coming unraveled. He was a true leader. I will truly miss him. My thoughts and prayers go out to Ann and his family that he loved so much. Rest easy my friend.

“ I have worked with Ken for past 16 years. He was well respected by all who worked with him. I remember spending a week in Spain with Ken and Ann. I got to see another side of him outside of work. He will be missed. My thoughts and prayers go out to his family during this time.

“ My thoughts and prayers are with the Swords family. Over the years I have shared this favorite memory with many friends...while in elementary school Keith, Kenneth, my brother (Jeffrey) and I sitting under the carport at the Swords' home eating tacos with tortillas made from scratch by our two mothers (Emma Jean and Arleta Bryans). Our two families had some good times together.

I feel fortunate to have known Kenneth.

“ Ken was one of the wittiest people I knew and
the first person to introduce me to a Fat Back
Sandwich (smile). I've been working with him
for 16 years and we could always count on a
good laugh even when times were going
rough. My fondest memory of Ken was the day I told him that my
mom had Stage 4 Cancer in July and his words to me were "Dana
do whatever you have to do and we understand you going home
(NJ) every other weekend to be with your mom." That simple
statement meant a lot to me. My prayers are with the Family during
this time. His light will always shine on.
