“ Dear Young Family,  
I am truly sorry for the death of your loved one. Many have looked to the bible as a source of comfort when going through difficult times. "Throw your burdens on Jehovah and he will sustain you." Ps 55:22 . We should let God know exactly how we feel and he will take care of the rest. God has provided us with the hope of seeing our love ones. The bible teaches that the dead will live again. Jesus will resurrect untold numbers of dead love ones Acts 24:15. Imagine the happiness you will feel, when you are here on earth greeting you love ones when they come back to life. They will not come back to the same earth that they knew before. This will be a new earth peaceful, beautiful with righteous ones living in it. There will be no more war, food shortages, even death , our enemy will be no more Rev 21:3,4. Please let the bible be your source of comfort. If you have any questions or would like to know more about the bible you can email me at juniarn@yahoo.com. You will continue to be in my thoughts and prayers.##imported-begin##Junia Prosper##imported-end##
