“ Aunt Jackie, K.C., and Ashley - My heart and prayers go out to you all. Love you guys very much and wish I could have made the trip. The family still talks about the time we all drove down to see you all back when we were kids. Or when you all would come up and stay with Aunt Cindy. Know that we are thinking of you all at this time and that Uncle Kenny will be missed greatly!!! - Love,

“ Hi Jackie: It's the long-ish, curly hair I remember most! Well, OK: that and he was always around to help us Starks out during our cruddy times in '78. Kenny was the guy laughing and smiling and a couple times, giving me some advice as I was thrown, against my will, into adulthood. I think he even fixed Steve's car without Theresa knowing it once! Here's wishing you many memories of the great times with him! Love to you and the girls,

“ Jackie - I am so sorry to hear about Kenny. He was "the cool guy" that made a big hit with the Comer family. I have fond memories of mom helping plan your wedding day, making a million meatballs and mints and painting posts white for the wedding aisle. I wish you peace in this very difficult time.

“ My heart goes out to Jackie, Ashley, KC, Makala, and Cantrel over the loss of their husband, daddy, and grand daddy. If there is anything at all I can do for any of you please let me know.

I have lost the best Fishin Buddy and Partner I have ever had. I have so many memories of Ken that will live in my heart forever. From being with him when he caught his biggest bass to fishing the first time on his home lake with him. I will cherish them all.

I feel like I have lost a brother but I know my loss can't start to compare with yours. I know Ken loved each and every one of you as much as any man could possibly love his wife , children and grand children. I know he loved Jesus also. He told me so.

Again, Jackie if you or your family need me I am a phone call away.

I miss you Ken, the next one I catch is for you. I love you man.....
