“ *I just found out about his passing to the Lord through the obituary in the Clarion Ledger. I am truly saddened. I thought the world of Papaw Bullock, and I am happy I was able to follow in his footsteps through the practice of law. I have often bragged to colleagues, judges, and prosecutors about his career and his 50 years as a member of the MS Bar. I hope you all are doing well, and my thoughts and prayers are with you.*

“ I worked for Mr. Bullock at Gibbes Graves kept in touch with him
until he left Laurel. He was a man of great integrity, who loved his
wife, children and grandchildren dearly. He was a fair man who
always had time to listen to anyone and who loved to share his
knowledge with others. My prayers are with his family at his passing

“ Dear Family, You are part of my family. Kenneth's mother, Inez, was my father's cousin. I remember many Sunday afternoons going down to visit with them, playing in the old barn, climbing on some of the old farm equipment, picking sloes, and picking figs, and who could forget slipping down into that scary stormpit. Kenneth was older than me and I remember his sisters better. If someone could e-mail me with some information about them, I'd appreciate it. I believe Juanita was his youngest sister that I remember most.

Please remember that our thoughts and prayers are with you and the family during this time.
